

Coach guide

Coaches see their teams' schedule and ask for a game to be moved when something comes up. Changes you ask for go to your Program Director, then to the other team's program, and finally to the league, so everyone involved agrees before a game moves.

Getting started

Signing in

1. Open the league's web address in any browser, on a computer or a phone.
2. Enter the **username** and **password** your league sent you, then **Sign in**.
3. The first time, you'll be asked to choose your own password. It needs at least 10 characters, including a letter and a number.

A screenshot of the Winter League sign-in page. At the top, there is a logo consisting of a blue hexagon with a white snowflake inside, followed by the text "Winter League" in a bold, dark blue font. Below the logo, the heading "Sign in" is displayed in a bold, dark blue font. Underneath the heading, a line of text reads "League scheduling for program directors, coaches, and officials." in a smaller, grey font. The form contains two input fields: "Username" and "Password". The "Password" field has a "Show" button to its right. Below the input fields is a large, dark blue button with the text "Sign in" in white. At the bottom of the form, there are two links: "Forgot username" and "Forgot password", separated by a small dot.

The sign-in page

Forgot something? Under the sign-in box, **Forgot username** emails you your username, and **Forgot password** emails you a link to set a new one. The link works once and expires after an hour.

Finding your way around

- **On a computer**, the main pages run across the top. Everything else is under your name in the top-right corner.
- **On a phone**, tap your initials in the top-right corner. The menu is organised into sections, and **Help**, **Change password**, and **Sign out** are always at the bottom. Tap anywhere outside the menu to close it.

The menu on a phone

A small dot on your initials, or a number next to **Requests**, means something is waiting for you.

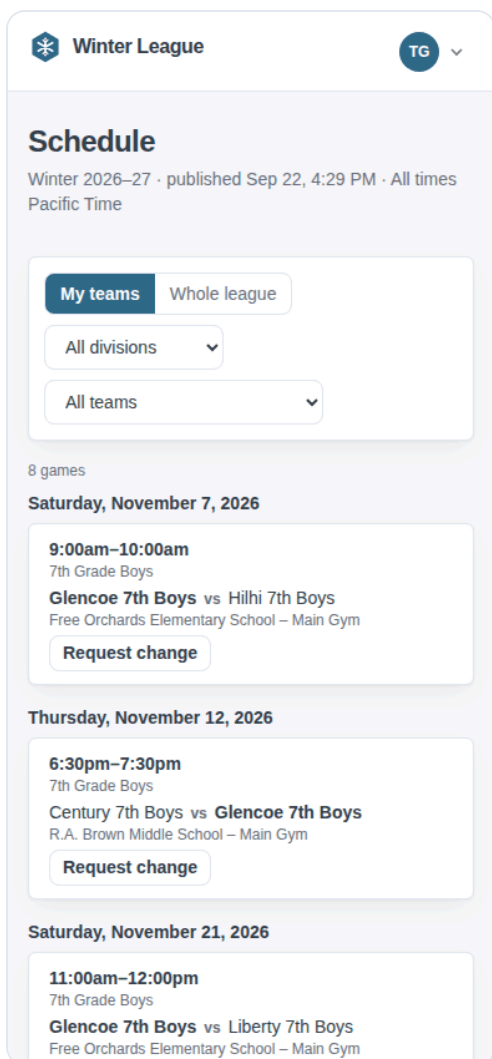

Good to know

- **All times are Pacific Time**, whatever time zone your phone or computer is set to.

- **Closing the browser tab signs you out.** You can also choose **Sign out** from the menu. On a shared computer, always sign out.
- **This guide** is always under **Help** in the menu, and you can download it as a PDF from the top of this page.

Your schedule

Menu → **League** → **Schedule**. **My teams** shows your teams' games, with your team in bold. **Whole league** shows every game. Filter by division or team, and tick **Show past games** to look back. Your dashboard also lists your next few games.

A coach's schedule on a phone

Change requested on a game means someone has asked to change it and it's waiting for approval.

Entering the final score

After a game, a coach of either team can enter the final score. Either side can do it, so there's no need to wait for the other team.

1. On **Schedule**, find the game. From tip-off on game day, it has an **Enter score** button. Tick **Needs a score** to see only played games still waiting for one. Your dashboard also says when games need scores.
2. Enter each team's points, and optionally a note such as *Forfeit* or *Ended early*.
3. Choose **Save score**.

The screenshot shows a modal titled "Enter final score" with a close button (X) in the top right corner. The modal contains the following elements:

- Game details: "Saturday, November 7, 2026 · 9:00am–10:00am · Free Orchards Elementary School"
- Home team score: "Glencoe 7th Boys (home)" with a score input field containing "42".
- Away team score: "Hilhi 7th Boys (away)" with a score input field containing "38".
- Note field: "Note (optional)" with a text input field containing "e.g. Forfeit, ended early".
- Footer text: "The other team's coach and director are emailed, and the score shows on everyone's schedule."
- Buttons: "Cancel" and "Save score" at the bottom right.

Entering the final score

The score replaces "vs" on everyone's schedule, with the winning score in bold and a **Final** badge.

A game with its final score

The other team's coach and director get an email with the score. If a score is wrong, choose **Edit score** to correct it, or **Clear score** to remove it. Corrections are emailed too, and every change shows in the programs' Activity. A game with a final score can't be moved or rescheduled.

Asking to move a game

1. On **Schedule**, find the game and choose **Request change**.
2. Choose what you need:
 - **Move this game:** pick a new time from the list. Every time shown is open at one of the two teams' gyms and fits both teams' schedules. If it's at the other team's gym, you'll see that the home team changes.
 - **Swap with another game:** trade the date, time, and court with another of your team's games.
3. Give a short **reason**, e.g. *"Our gym has a school concert that night."*

4. Choose **Send request**.

The screenshot shows a mobile app interface for a 'Winter League'. At the top, there's a header with a snowflake icon and the text 'Winter League', and a circular button with 'TG' and a dropdown arrow. Below the header is a modal titled 'Request a schedule change' with a close button (X). The modal displays the current game details: 'Saturday, November 7, 2026', '9:00am–10:00am', '7th Grade Boys', and 'Glencoe 7th Boys vs Hilhi 7th Boys' at 'Free Orchards Elementary School – Main Gym'. Under 'What do you need?', there are two radio button options: 'Move this game' (selected) with the subtext 'Pick another open time at either team's gym.', and 'Swap with another game' with the subtext 'The two games trade dates, times, and courts.' Below this, a 'New time' section shows '51 open times that fit both teams' and a dropdown menu set to 'All venues'. A list of available times is shown, with two highlighted: 'Thursday, November 5, 2026' at '7:30pm' (South Meadows Middle School – Court 1, where Hilhi 7th Boys would become the home team) and 'Saturday, November 7, 2026' at '10:00am' (South Meadows Middle School – Court 2, where Hilhi 7th Boys would become the home team). At the bottom of the modal are 'Cancel' and 'Send request' buttons.

Asking for a change

Following your request

Menu → League → Requests shows your requests and where each one is:

1. **Your Program Director** endorses it.
2. **The other program** agrees.
3. **The league** signs off, and the game moves.

Winter League

TG

Change requests

Moves and swaps on the published schedule. Coach requests go to their director first, then every other program involved agrees, then the league signs off.

Open
Decided

Move
Waiting on program director
7th Grade Boys

Now - Saturday, November 21, 2026
11:00am-12:00pm
Glencoe 7th Boys vs Liberty 7th Boys
Free Orchards Elementary School – Main Gym

↓

Proposed
Thursday, January 7, 2027
6:30pm-7:30pm
Poynter Middle School – Main Gym

Half our team has a school band concert that evening, so we'd be short of players.

- Requested by Tasha Greene · Glencoe Youth Basketball · Sep 22, 4:29 PM
- Glencoe Youth Basketball director · Waiting
- Liberty Youth Basketball (other program) · Next, after the director endorses
- League sign-off · After the programs agree

Withdraw request

Where a request is

If anyone denies it, their note explains why so you can try another time. To take a request back while it's still open, choose **Withdraw request**. You'll get an email when a request is approved or denied.
